

(e) Do you expect the students to **invoke the rule** at the pre-trial hearing?

Yes: _____

No: X

(f) Do you expect for the students to discuss their **stipulations** with the court?

Yes: X

No: _____

(g) Do you expect for the students to discuss **exhibits** with the court? (e.g., **pre-marking** exhibits).

Yes: X

No: _____

(h) Do you expect for the students to ask the court about special trial issues (e.g. “qualifications” of experts pursuant to **Daubert**, **Prater**, and **Kumho**)?

Yes: X (Or other evidence Issues. However, this is what I expect in motions.)

No: _____

(i) Do you expect for the students to ask the court about technical aspects of their presentations? (e.g., using the lectern, approaching the bench, etc.).

Yes: _____

No: X (But will advise if asked)

(j) Do you have any special requirements that the student must follow if she/he wishes to **exit the simulation-attorney rule** and ask a question **as a student**?

Yes: X

No: _____

If “Yes”, what are these requirements?

Once in trial mode expect to continue unless extraordinary circumstances - I will break if appear someone “cheating.” Questions welcome after.
